

Honeymoon Package / Romantic Getaway

We are pleased to offer to newlywed couples the opportunity to spend your honeymoon with us. It is such a special time in a couple's life, and what better way to start your journey together than with an inner sense of peace and calm serenity.

We also offer our Honeymoon Package as a Romantic Getaway Package to couples who want to enjoy a second honeymoon or just a chance for romance in a magical and special place.

Our Honeymoon Cabaña is two separate cabañas – a bedroom cabaña and a bathroom cabaña. Behind the bathroom cabaña is a private outdoor shower with two shower heads.

The Honeymoon/Romantic Getaway Package includes our private and secluded Honeymoon Cabaña, roundtrip airport transportation, one Honeymoon Breakfast (first or second morning) and one Romantic Dinner (final night) on a private dining terrace, daily breakfast and dinner for the balance of the stay, two welcome drinks per person on the day of arrival, one 80-minute massage for each person and all taxes and fees.

Lunch is available as an optional add-on at \$20 USD* plus tax per person per day. Lunch is optional so that you have the freedom to take an excursion or just go into the town of Sayulita for the day. If you choose to add lunch to your reservation you can do so on a day to day basis with prior notification to our kitchen.

This package has a 3 night minimum stay requirement.
