

# Sampler Package

For individuals who are looking to treat themselves to a tropical vacation with a little of everything, and the flexibility to add more of what you like, we offer to you the chance to build your own individual vacation Sampler Package. We offer a 3 night base package, Single or Double occupancy, to which you can add additional nights and additional activities.

We have four levels of cabañas available – Standard, Deluxe, Premium and Supreme. The differences between the levels of cabanas are the size of the cabaña, the location on the hillside and the view from the cabaña. Cabañas will be assigned on a “best available” basis.

Our 3 Night Base Package includes the following –

## **Single Occupancy** (One Person/One Cabaña)

Private cabaña

2 meals daily – breakfast & dinner
